Dear Mr Rayson,

Application for Gas Supplier Licence

Please find enclosed your Gas Supplier licence for Barrow Shipping Limited.

Please check your licence carefully to ensure that your company details and the terms of the licence are correct. If you have any concerns please contact me on the above telephone number as soon as possible.

Licensees must ensure that they have obtained the wording of all modifications made collectively to the Standard Licence Conditions for the type of licence which has been granted. Copies of modifications may be obtained by contacting Ofgem's Resource Information Centre on 020 7901 7003.

Yours sincerely,

Louise Deighan
